VOLUME VIII. MILWAUKEE DAILY SENTINEL. NEW SERIES.

DAILY SENTINEL.

BY TELEGRAPH.

Reported for the Daily Sentinel.

BY SPEED'S LINE.

New York, Sept. 6.

The Arctic arrived at her wharf at 11 P. M. yesterday.

Madam Sontag was among the passengers.

The fine weather continued favorable for harvest operations and since Friday prices have generally been on the decline.

Flour has declined one penny upon 70 lbs 2d per Barrel.

Indian corn 6d per quarter. Buyers and sellers exhibit indifference until something more definite can be arrived at touching the effect of recent rains and extent of damage. The crops may have suffered in consequence.

During the terrible earthquake which occurred at Santiago on the 15th of August, every building in the place was more or less injured, and several were entirely destroyed—and 16 lives were also lost.

The inhabitants had generally sought refuge on board the shipping.

The loss by this disaster is estimed at $100,000.

By the arrival of the Barque *Molendal*, from Havanna, we learn that among the 400 arrests which had been made, all concurred in the incendiary publications were immediately put to death.

The yellow fever still raging.

The musical society numbering some 150 together with several other societies, are making the most extensive preparations for a serenade to be given to Mad. Sontag on Friday night at her Hotel.

Her first Concert will be given at the Metropolitan Hall about the 15th.

Mr. Webster arrived in this city this morning, by the Fall River Route, proceeded in the afternoon train to Marshfield.

Clermont, N. Y., Sept. 5th.

The Rail Road machine shop and engine house belonging to Clermont and Concord R. R. was burnt this morning at 5 o'clock, at the Brandford branch of the road.

MURDER AND SUICIDE.

Cincinnati, Sept. 6.

On Saturday, 6 p. m., a horrid murder was perpetrated, on the corner of Vine and Elm streets, in this city.

The following are the circumstances:—John P. Richley and Christiania Bond had been living together as man and wife for some months, until within a week. On Thursday last, the woman was married to a German who resides in Covington, Ky. Richley, maddened by jealously, went to the house mentioned, and finding her in the cellar, after watching for several hours, he seized an axe, struck her on the head, felling her to the ground. He then carried her to the cellar, and cut his own throat.

By Last Night's Mail.

New York, Sept. 4.

A post-mortem examination has been held on the body of the actress Laura Addison, otherwise Wilmhurst, and a verdict was returned that she died of congestion of the brain. The deceased was 22 years of age and been quite ill for several days previous to her death.

The Whigs of this city gave an enthusiastic reception to their members of Congress last night, on their return from Washington.

Gen. Scott and family are at the West Point, where they propose to stay a month.

The following additional particulars are received relative to the Cuban conspiracy. About 150 men have been surprised and taken prisoners in the mountains, to the westward of Havanna. Some 1500 muskets and ammunition were also captured. It is said that one of the prisoners is worth $400,000.

Many unsuspected persons have fled to the United States.

The publishers of the *Voice of the People* were taken in the act of printing the fourth number of the paper. The prisons are over flowing, as also are the dungeons of the fortifications, with prisoners. Two hundred prisoners have been captured at Vuelta a Baje, and brought to Havanna. They were engaged at the time in the manufacture of cartridges.

A small cannon was also taken from them which was supposed to have been landed from a small schooner seen on the coast. Nine women concerned in the conspiracy have been arrested.

A Council of War was held at the Palace, but nothing definite was allowed to transpire.

The conspiracy was disclosed by a thief employed in a chain gang at Havana, who, while in the confinement, overheard state prisoners disclose to each other the revolutionary proceedings of their confederates.

Another Steamboat Explosion.

The Steamboat *Rein deer* on the North River, blew up today near Bristol. TEN KILLED AND WOUNDED.

Washington, Sept. 4.

President Fillmore left Washington last evening for the Berkely Springs. He was accompanied by the Secretary of the Navy, and will be absent about one week.

Judge Conrad will be the acting Secretary of State during the absence of Mr. Webster.

The following appointment of Steamboat Inspectors under the new law, have been confirmed: Robert L. Stevens, New York; Hiram Barton, Buffalo; John Shalcross, Louisville; John Manly, Baltimore; H. W. Dible, Chicago.

Correspondence of the N.Y. Tribune.

The Massachusetts Convention.

Worcester, Mass, Sept. 1.

The great City Hall of Worcester has been filled to overflowing, this forenoon, with enthusiastic Whigs. *Nine hundred and ten*, votes were thrown for a candidate for Governor, of which John Henry Clifford, of New-Bedford received *nine hundred* on the first ballot! Mr. Clifford is, at present, Attorney-General of this Commonwealth, and is a man of fine talents and great popularity. His associate, as candidate for Lieutenant-Governor, is Dr. Elisha Huntington, Mayor of Lowell, who will bring much strength to the ticket. Upon the list of Electors are the names of Robert C. Winthrop, Robert G. Shaw, and Amos Lawrence. The Whigs of the Old Bay State will do their duty to the full. Be sure of that. The names of Scott and Graham were received with a perfect tempest of applause. The Webster sizzle is scarcely heard of here.—Set Massachusetts down for Old Chippews by a plurality of TWENTY THOUSAND. Q.

In haste. . . .

Large Fire at Ogdensburgh.

Ogdensburgh, Sept. 1.

A fire now raging in the block of buildings on Isabella and Fort-sts, occupied by T. Bacon, Jones & Wells, grocers; L. M. Chancey, shoestore Brinners & Kraft, dry goods; Chittenden & Judson, book-sellers; L. S. Morris, J. S. Guest, dry goods; Hadwin & Clark, T. D. Skinner, clothing-stores; the Isabella House, and two or three wooden buildings. The buildings destroyed on Fort-st comprise the stone buildings known as Clarke, and it is on Mr Edwin Clark the heaviest loss falls. The loss is estimated at $75,000, the greater portion of which is thought to be insured. Judging from present appearances the fire will not go beyond Seymour's store, or below the Isabella House. The fire is supposed to be the work of an incendiary.

Further Confirmations—The Post-Office Appointment.

Washington, Aug. 31.

Col. Craig was confirmed to-day as Chief of the Ordnance Bureau in the War Department, vice Gen. Talcott, dismissed by court martial. . . .

The appointment of Samuel D. Hubbard as Post-master-General gives the greatest satisfaction to the Scott Whigs, and is received as an earnest of the President's zeal for the Scott ticket.

A DUEL.—The "*N. Y. Sun*" gives the particulars of an alleged duel "at the Toll house, N. J." between Capt. Stone of Santa Fe and Mr. Townley of New Bedford. It states that Capt. Stone, having called Townly to account for insulting language used to his cousin, received an abusive reply, which he resented, with a blow, whereupon Townly challenged him; that they fought with pistols at 5 A. M. 1st inst.; and that both parties were wounded. They fired twice. In a firm voice the seconds asked—"Are you ready"—Both replied simultaneously "Ready"—Fire—One—Two—Three—crack went the pistols, Townly firing before the word, inflicting with his ball a flesh wound in the arm of his adversary. The Captain fired at the word promptly, wounding Townly in the hip. Not satisfied yet the pistols were reloaded and a second round fired, Townly again firing before the word. In this round Townly received his adversary's ball in his shoulder—while the Captain had a hole bored through his left. Townly from loss of blood, fell backward, but was caught by his second. The surgeon who was present dressed the wounds, when the parties returned to the city. The wounds are not considered dangerous, and both parties will probably recover.

SCHR. MERCHANT.—It will be recollected by some of our readers, that this vessel mysteriously disappeared from Lake Superior, five years ago. She left Sault Ste. Marie for L'Anse with a valuable cargo, and about thirteen persons on board, including crew and passengers. Among the latter were some agents of mining companies, having with them $5,000, belonging to different companies. Her non-arrival excited fears for her safety, and the lake was searched in every direction, but nothing of her could be found—not even a floating spar; and up to the present time, her fate has remained unknown. A few days ago, while some persons were rowing down the lake in a small craft, they discovered the remnants of the long lost schooner, standing erect in the water, some 30 feet below the surface. The locality has been marked, and measures will be taken to procure the specie on board, if nothing more.—*Detroit Free Press.*

THE TRIBUNE.

SCOTT Leads the Column:—Forward!

"Now, brothers, now is the hour!"

THE publishers of THE NEW YORK TRIBUNE prefer copies of their regular and full Weekly issue (28 large pages, each six columns), for LITERATURE, NEWS and VIEWS, for the remainder of the Presidential Campaign, commencing with the 7th of August and closing with Nov. 25th, when we confidently hope to announce their triumph—on the following terms:

1 copy for the 15 weeks..... $0 37½
8 copies, to one address..... 2 00
10 copies do do..... 2 50
25 copies do do..... 7 50

Payment in all cases to accompany the order.

The selection of WINFIELD SCOTT for President, has gratified our WILLIAM A. GRAHAM for Vice-President, has gratified our ardent wishes and strengthened our earnest hopes. Our conviction has long been fixed that Gen. SCOTT is the very man fitted and marked out, by his single ability, experience, his inestimable services at critical periods, in preserving our National tranquility and preventing the effusion of blood—by his unquestioned integrity, his self-abnegating patriotism, his unsectional position and his humanity—to unite the Whig Masses in one enthusiastic, invincible host and lead them on to victory—to a glorious, yea-yea interest and hopes for his nomination; and we may confidently look to the result to justify our sanguine anticipations.

The TRIBUNE, standing on its own Platform and knowing no Sectional Earth, will do its utmost for the election of SCOTT and GRAHAM; but it will not be absorbed by Political discussion. We have chosen to prefer Campaign subscribers a large share, rather than a small and cheaper one because the postage is the same, and because we wish to extend the knowledge of what THE TRIBUNE habitually is. The letters of our Associate, Bayard Taylor, who next writes us from Syria, the ruins of Nineveh, Constantinople, &c., will appear every week, with reviews of new Books, Proceedings of Congress and the general Foreign and Domestic News of the day. If there is no other journal in America more valuable or interesting than THE TRIBUNE, it is not because more money or labor is spent thereon.

All the Editions of THE TRIBUNE are printed in large Quarto form, on a sheet 31 by 42 inches, showing eight large and compact pages of reading matter. Each issue of the Daily is dated to the number of Advertisements, very few of which appear in our other issues. No 20 dollar daily in the world contains more reading matter than THE TRIBUNE, which is afforded at $8 per annum, or $1½ for three months.

SEMI-WEEKLY TRIBUNE:
One copy (per annum) $3; Two do. $5; Ten do. $20.

Spherical Disinfecting Fluid,

FOR purifying the air of sleeping and sick rooms, cabins and holds of ships, particularly of packet ships at sea or in port, jails, hospitals, crowded rooms in general, from offensive, close and infectious air of all kinds, including the infectious spheres of cholera, ship, typhus, yellow, bilious, scarlet and other fevers, as well as of Southern and Western climates in cities and towns, on land and water. Also, for disinfecting the bodies, clothes, and trunks of persons who are in or have been in the atmosphere of infectious diseases.

This fluid is healthy to breathe or take internally, and instead of filling the room with chlorine, deleterious gases, as the chloride of lime and other chemical preparations in use do, it makes the whole air sweet and salubrious, and at the same time strengthens the respiration and enlivens the spirits of those present, by its balmy, fragrant and tonic influence.

Green Block, Water St.,
(Between Maiden Lane and Wall Street,)
NEW YORK.

THE SUBSCRIBER PLACED HIS FIRE AND BURGLAR-Proof Iron Safe in competition with the whole world at the great Exhibition in London, for which an impartial jury awarded a medal.

The American Fair, held last fall at Castle Garden, also awarded to him a gold medal for the best Fire-Proof Safe, and he has never failed to obtain the highest premium when his Safe has been put in competition with others for that purpose. Certificates have been received from the following well-known mercantile houses, who have had their books, papers and money preserved in these superior Safes within the last thirty days, (and can, with many others, be seen at my store):—Messrs. Stillwell & Montross, and Mr. J. L. Wadsworth, in the Hudson River; Messrs. Fisher & Robinson, and Messrs. John Lockwood & Co., in the great fire corner of Liberty and Nassau Streets, and Messrs. Proud & Bowman, Exchange Place.

I am the proprietor of HALL'S PATENT LOCK, which obtained a medal (in the name of Adams & Co., Boston, at the World's Exhibition, and is considered the best Lock for the price, ever invented, being proof against powder, and the Key is no larger than a cent, and can be made changeable.
